Hemisphere GNSS Warranty Periods*	
Product Line:	Warranty Period:
All Products	12 Months

2.2 Product Limited Warranty: Unless the limited warranty included with any product covered by these Terms grants different rights to the Buyer, HGNSS warrants to Buyer, and only to Buyer, that the HGNSS products furnished shall be designed and manufactured to conform to HGNSS specifications and all parts are and will be free from defects in material and workmanship for the Warranty Period. During the Warranty Period, HGNSS liability is limited to replacing, repairing, or issuing credit for any product that is returned to HGNSS by the original Buyer freight prepaid and which upon inspection is determined by HGNSS to be defective in materials or workmanship.

2.3 *Notwithstanding the above-mentioned Warranty Periods, in the event a longer warranty period is mandated under the laws or regulations of the territory in which the HGNSS product is sold, and that warranty period is applicable to your HGNSS product, said warranty period shall govern. An additional four-month “shelf-life period” is added to the standard warranty period for all OEM purchases.

- 2.4 The applicable Warranty Period shall commence on the date the product is shipped to the original purchaser by HGSS. To be eligible for coverage under this Warranty, a product believed to be defective must be returned to and received by HGSS within the Warranty Period.
- 2.5 Disclaimer: EXCEPT FOR THE LIMITED EXPRESS WARRANTIES SET FORTH IN SECTIONS 2.1 AND 2.2 ABOVE, OR AS MANDATED UNDER THE LAWS OR REGULATIONS OF THE TERRITORY IN WHICH THE HGSS PRODUCT IS SOLD. HGSS MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER WITH RESPECT TO THE PRODUCTS, INCLUDING ANY (A) REPRESENTATION OR WARRANTY OF MERCHANTABILITY; OR (B) REPRESENTATION OR WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE; OR (C) WARRANTY OF TITLE; OR (D) WARRANTY AGAINST INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY; WHETHER EXPRESS OR IMPLIED AND WHETHER ARISING BY LAW, COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OF TRADE OR OTHERWISE. BUYER ACKNOWLEDGES THAT IT HAS NOT RELIED UPON ANY REPRESENTATION, CONDITION OR WARRANTY MADE BY HGSS, OR ANY OTHER PERSON ON HGSS'S BEHALF, EXCEPT AS SPECIFICALLY PROVIDED IN SECTIONS 2.1 AND 2.2.
- 2.6 Australia Residents: There are guarantees that are implied under Australian Consumer Law that may apply to the products supplied to a Buyer (the "AU Guarantees"). Should the AU Guarantees apply to the Buyer, then these AU Guarantees are not included in the disclaimers and exclusions specified in Section 2.5. For products supplied (including software), the products come with AU Guarantees that cannot be excluded under the Australian Consumer Law, and the Buyer is entitled to replacement or refund for a major failure and compensation or any other reasonably foreseeable loss or damage. Buyer is also entitled to have the products repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. In the case of software, the repair of products may not be practicable, and a replacement will be provided if that is the case. For any AU Guarantee related issues please contact hgss-Support@cnh.com.

3. Warranty Repair Service Policy:

Warranty Repair Procedure: HGNSS reserves the right to refuse warranty services if the date of purchase of the product cannot be proven or if a claim is made outside the Warranty Period. Claims for shipment damage (evident or concealed) must be filed with the carrier. No product may be returned for repair, whether in warranty or out of warranty, without HGNSS approval. No credit will be given, nor repairs made to products returned without such approval. Products must be returned, transport prepaid, to the HGNSS facility (no C.O.D. or Collect Freight accepted) in accordance with HGNSS product return procedures then in effect. Returned products must be received no later than 14 days for US/Canada or 28 days for international after approval.

- 3.1 Warranty Determination of Returned Products: Following HGNSS or its authorized representative's examination, warranty or out-of-warranty status will be determined. If upon examination a warranted defect exists, then the product(s) will be repaired at no charge and shipped, prepaid, back to Buyer. Where HGNSS elects to replace a product or parts, repair parts and replacement products will be provided on an exchange basis and will be either new, equivalent to new or reconditioned. All replaced parts and products become the property of HGNSS. Warranty repairs do not extend the original Warranty Period.
- 3.2 Non-Warranty Determination of Returned Products: Following HGNSS examination, Buyer shall be notified of the repair cost of products out-of-warranty. At such time Buyer must issue a valid purchase order to cover the cost of the repair and freight or authorize the product(s) to be shipped back as is, at Buyer's expense.
- 3.3 Non-responsibility for monetary loss or lost data. HGNSS shall not be responsible for any modification or damage to, or loss of any programs, data, or other information stored or hosted by HGNSS, provided to HGNSS in connection with any service, or stored on any product, including any product serviced hereunder, or for the consequence of such damage or loss, e.g., business loss in the event of hardware, software, program, or data failure.
